Bill
McGuire

AUTHOR OF HOTHOUSE EARTH
& EMERITUS PROFESSOR AT
UNIVERSITY COLLEGE LONDON

*"I KNOW A LOT OF PEOPLE WORKING IN CLIMATE
SCIENCE WHO SAY ONE THING IN PUBLIC
BUT A VERY DIFFERENT THING IN PRIVATE."*

MONDAY 26TH SEPTEMBER 19:00
ST PETER'S CHURCH, DERBY, DE1 1NN
TICKETS: [BIT.LY/3DLFJR1](https://bit.ly/3DLFJR1) OR 07817214183

FREE EVENT

Bill McGuire, who is emeritus professor of geophysical and climate hazards at University College London, joins us for an evening to discuss the current climate emergency. "I know a lot of people working in climate science who say one thing in public but a very different thing in private. In confidence, they are all much more scared about the future we face, but they won't admit it in public." Bill McGuire, The Guardian Online
